

# Recycle your old rechargeable batteries and cell phones.

**call2recycle**<sup>®</sup>

**Recharging the planet. Recycling your batteries.**<sup>™</sup>

New Jersey supports recycling and green business practices through their partnership with Call2Recycle<sup>®</sup>, a free and easy battery and cell phone recycling program. To find the nearest drop off location to recycle your used rechargeable batteries and cell phones call **1-877-2-RECYCLE** or visit **[call2recycle.org](http://call2recycle.org)**.
